Two Presidents Meet

Duane Carter, president of the United Auto Club and who drove eight⁺ times in the Indianapolis Speedway classics, completes contract with Henry Bryant (right) president of the Montgomery Motor Speedway, Friday night, June 29. This will be another first for Mr. Bryant in his quest to make Montgomery the racing capital of Dixie.

MOST POPULAR DRIVER

Gene Tapia, the Mobile flash, was voted the most popular driver at the Montgomery Motor Speedway for 1955. Gene always has his Tiny 90 in the thick of things every time he runs. When coupled with Glynn Hobson in Big 90 they form an almost unbeatable pair.

SAVE THIS VALUABLE SOUVENIR PROGRAM

It may have the lucky number that will win for you a 21" console television set or other prizes. The drawing will be held at a race near the end of the season. This drawing date will be widely publicized so that you can bring all of your programs with you, since you must be present with your programs to win.
