Greetings race fans,

Welcome to another NASCAR racing program from the all new MONTGOMERY INTERNATIONAL SPEEDWAY. We are proud to be able to bring another of the finest racing shows available to you.

Due to the wonderful response and support we have received from you, the race fans, and in order to bring more of the top cars and drivers here for you, the purse for tonight's races has been raised to \$2,146.00. This is Montgomery's third night of racing under new management, and the third time the prize monies offered to the drivers has been raised.

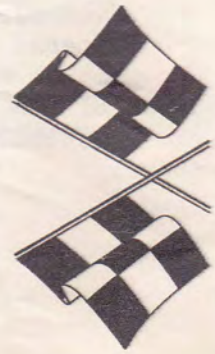

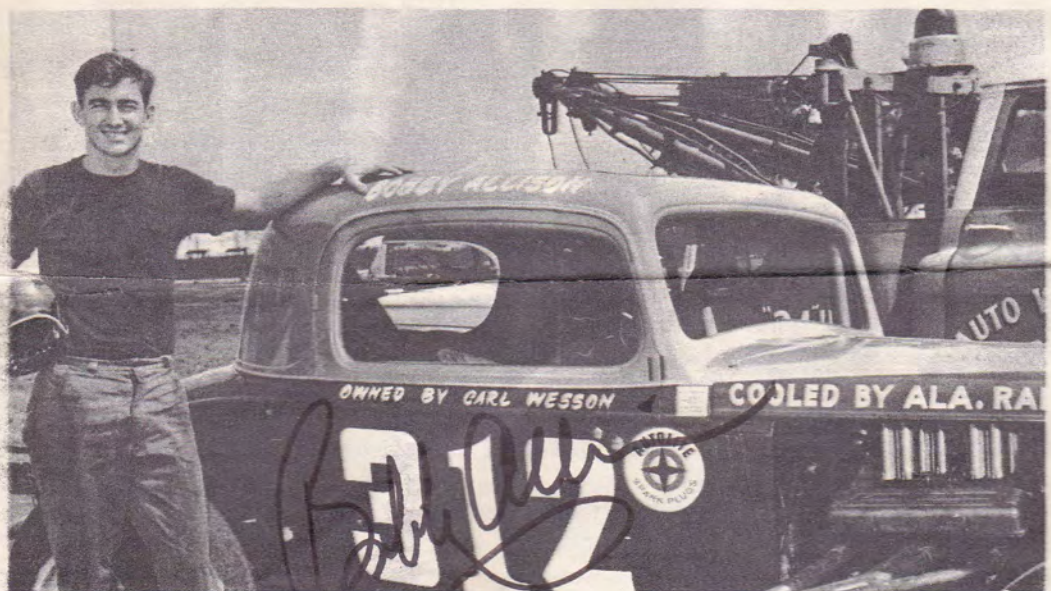

After this weekend, many of the tracks offering NASCAR racing events will close. BIR and Montgomery will continue bringing major-league racing to you. Due to the closing of the other tracks you should see many new faces here and at BIR.

Make your plans now to attend MIS on Sept. 8, for one of the biggest racing nights ever offered in Montgomery.

Remember! Your free program is presented to you through the fine merchants you see advertised within. Patronize them whenever possible.

Cordially,
BOB HARMON
V. President
General Manager

P. S. Don't forget. Tomorrow at BIR the 1st "National Championship 200." Time trials at 1:00. Race begins at 3:00 sharp. See you there.
