WELCOME TO MONTGOMERY INTERNATIONAL SPEEDWAY

By BOB HARMON
Speedway Owner
and General Manager

I would like to take this opportunity to thank each and everyone of you wonderful race fans in this area for making this past season the most successful one in the history of Montgomery International Speedway.

The year 1967 was good in many ways. We had some of the closest competition ever seen in the modified and cadet division ranks. In addition the Grand National new car car division of NASCAR made their first Montgomery appearance in more than ten years.

At the completion of the 1968 season, fans can look forward to another advancement in stock car racing, as all NASCAR tracks throughout the area plan to produce one set of rules that will be standard for all tracks. This means that a driver running in the Carolinas can run the same car in Alabama and vice-versa.

Congratulations are in order for our '67 Modified Track Champion, Jerry Lawley from Bessemer, along with the second place finisher Dave Mader from Homewood and third place finisher Henry Brook from McCalla.

Congratulations are also in order for Cadet Track Champion Gary Hoskins from Birmingham, second place finisher Richard Orton from Birmingham and third place finisher Windle Morgan from Fairfield. Incidentally, Orton won the Cadet Division State Championship and Jerry Lawley won the State Modified Championship.

With the support of you, your friends, the cars and drivers let's make 1968 another banner year for Montgomery International Speedway. I'll be looking for you every Saturday night, and all our "special" events, too.
