

DENNIE REWIS, driver of #26, begins the 1986 season, his 21st year in racing, in a blue 1986 Monte Carlo. During his racing career, Dennie has won many honors at area tracks, including 1969 Good Sportsmanship Award at Pensacola, 2nd place finish at the 1970 Snowball Derby, and three track championships at M.I.R.

Dennie appreciates the many friends who have supported him through-out his career, especially Allen's Radiator, Montgomery Muffler, and Auto Parts Unlimited, who have helped him since the first season.

Dennie plans to continue to race in Late Model Stock Car and Grand American/All Pro divisions. He would like to see the race tracks in this area adopt a uniform set of rules so that drivers may compete at all tracks.

Dennie and wife, Lois, celebrate their 25th wedding anniversary this year and look forward to many more years together.
